

TRANSPORTATION, DEPARTMENT OF CAREER EXECUTIVE ASSIGNMENT EXAMINATION ANNOUNCEMENT

California State Government supports equal opportunity to all regardless of race, color, creed, national origin, ancestry, sex, marital status, disability, religious or political affiliation, age, sexual orientation, medical condition or pregnancy. It is an objective of the State of California to achieve a drug-free work place. Any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the State, the rules governing Civil Service, and the special trust placed in public servants.

| DEPARTMENT: | TRANSPORTATION, DEPARTMENT OF | RELEASE DATE: | Tuesday, August 17, 2010 |
| POSITION TITLE: | Chief, Division of Infrastructure (Information Technology) | FINAL FILING DATE: | Tuesday, September 7, 2010 |
| CEA LEVEL: | CEA 3 | EXTENDED FINAL FILING DATE: | |
| SALARY RANGE: | \$ 8,594.00 - \$ 9,476.00 / Month | BULLETIN ID: | 08172010_4 |

POSITION DESCRIPTION

Under the general direction of the Chief Information Officer (CIO), the incumbent is responsible for developing and implementing departmental policy related to the Department's current and future infrastructure operations statewide including establishing policy standards related to hardware, software and telecommunications. The incumbent will manage a highly technical function that has a direct effect on the Department's ability to deliver its program and services.

Serves as key advisor to the Directorate for policy decisions affecting the Department's computing infrastructure including: desktop hardware & software standards; communications networks; internet standards; equipment acquisition, installation and maintenance and statewide technology Infrastructure facilities.

Develops strategic planning policy for information systems infrastructure statewide.

MINIMUM QUALIFICATIONS

Applicants must meet the following minimum qualifications:

Either I

Must be a State civil service employee with permanent civil service status or who previously had permanent status in the State civil service.

Or II

Must be a current or former employee of the Legislature, with two or more consecutive years as defined in Government code § 18990.

Or III

Must be a current or former non-elected exempt employee of the Executive Branch with two or more consecutive years (excluding those positions for which salaries are set by statute) as defined in

Government Code § 18992.

Or IV

Must be a person retired from the United States military, honorably discharged from active military duty with a service-connected disability, or honorably discharged from active duty as defined in Government Code § 18991.

KNOWLEDGE AND ABILITIES

Applicants must demonstrate the ability to perform high administrative and policy – influencing functions effectively. Such overall ability requires possession of most of the following more specific knowledge and abilities:

(1) Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices, and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; and personnel management techniques; the department's or agency's Equal Employment Opportunity Program objectives; and a manager's role in the Equal Employment Opportunity Program.

(2) Ability to plan, organize, and direct the work of multidisciplinary professional and administrative staff; analyze administrative policies, organization, procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide range of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public, and the Legislature and Executive branches; analyze complex problems and recommend effective courses of action; and prepare and review reports; and effectively contribute to the department's or agency's Equal Employment Opportunity objectives.

These knowledge and abilities are expected to be obtained from the following kinds of experience with substantial participation in the formulation, operation and/or evaluation of program policies (experience may have been paid or volunteer; in State service, other government settings, or in a private organization):

CEA Level 1. Supervisory/administrative experience in a line or staff activity, including the execution and/or evaluation of program policies.

CEA Levels 2 and 3. Broad administrative or program manager experience with substantial participation in the formulation, operation, and/or evaluation of program policies.

CEA Levels 4 and 5. Extensive managerial and program administrative experience which has included substantial responsibility for a combination of management functions such as program planning; policy formulation; organization coordination and control; and fiscal and personnel management. Where high technical professional qualifications are of primary importance in performing the duties of a given CEA

position, then the above required experience may have been in a staff capacity exercising professional skills to influence and contribute to program, policy, and methods of providing those professional services. Primary examples are medical doctors and attorneys.

DESIRABLE QUALIFICATION(S)

Experience in positions at the Data Processing Manager III level or higher which developed the following qualifications:

- Strong leadership and management team experience demonstrating an ability to create a clear vision, set goals and expectations, encourage leadership and initiative at all levels, and use sound judgement in managing complex problems.
- Knowledge of principles and practices of organization, fiscal and human resource management, the legislative process, and the Department's equal employment opportunity program.
- Extensive knowledge of information technology and trends as it applies to serving the Department's IT needs.
- A broad and comprehensive knowledge of the Department's programs and experience that demonstrates the ability to manage a complex statewide program.
- Knowledge of the development of and knowledge in operating transportation facilities.
- Familiarity with federal and state information technology project acquisition and implementation requirements and guidelines.
- Demonstrated ability to supervise a multi-disciplinary professional staff; participate in public forums; represent the Department in advanced infrastructure matters; and serve in a consulting and coordinating capacity with other departmental functional areas statewide.
- Demonstrate ability to effectively apply logic and creativity in decision making processes and successful application of motivational and negotiating skills.
- Demonstrated ability to provide new perspectives and/or develop and implement new initiatives.
- Excellent oral and written communication skills.

In addition, candidates should have completed academic course work at the university level or equivalent training and experience in the area of supervision and management principles

EXAMINATION INFORMATION

A minimum rating of 70% must be attained to obtain list eligibility. Hiring interviews may be conducted with the most qualified candidates. All candidates will receive written notification of their examination results. The result of this examination will be used only to fill the position of **Chief, Division of Infrastructure (Information Technology)**, with the **TRANSPORTATION, DEPARTMENT OF**. Applications will be retained for twelve months.

The results of this examination will be used only to fill this position.

The Statement of Qualifications must indicate your total years of experience (and civil service classification, if applicable) performing each of the activities included in the screening criteria. Some of the factors that will be utilized in the screening are:

- Education ? List degrees obtained and dates received.
- List licenses and certificates and dates received.
- Breadth and extent of external contacts (e.g., Legislature, control agencies, etc).
- List state and federal resource agencies.
- Explain nature and extent of those contacts.
- Number of years of experience as or equivalent in level to a Data Processing Manager III.
- Breadth and extent of experience making clear and convincing presentations, representing and speaking for the organizational unit and its work (e.g., presenting, explaining, defining and negotiating) to those within and outside the office (i.e., directors, deputy directors, agency heads and other government executives, corporate executives, legislative members and staff, the media, general public and professional groups).
- Breadth and extent of experience planning, developing and managing a large, complex and politically sensitive program. This experience should include responsibility for directing staff involved in extensive

interpretation and application of governmental laws, rules and policies. • Ability to provide new perspectives.

FILING INSTRUCTIONS

Interested applicants must submit:

- A completed Standard State Application (Form 678).
- A "Statement of Qualifications". The Statement is a narrative discussion of how the candidate's education, training, experience, and skills meet the minimum and desirable qualifications and qualify them for the position. The Statement of Qualifications serves as a documentation of each candidate's ability to present information clearly and concisely in writing and should be typed and no more than two pages in length.
- Resumes do not take the place of the Statement of Qualifications.

Applications must be submitted by the final filing date to:

TRANSPORTATION, DEPARTMENT OF, CEA & Exempt Services
1727 30th Street, MS 90, Sacramento, CA 95816
Patti Oshita | 916 227-7414 | Patti_Oshita@dot.ca.gov

SPECIAL TESTING

If you have a disability and need special testing arrangements, mark the appropriate box in Part 2 of the "Examination Application." You will be contacted to make specific arrangements.

GENERAL INFORMATION

If you meet the requirements stated in this bulletin, you may take this examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. Your performance in the examination described on this bulletin will be compared with the performance of others who take this test, and all candidates who pass will be ranked according to their scores.

The TRANSPORTATION, DEPARTMENT OF reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others.
